**BE A PART OF SOMETHING SPECIAL...
THE BACKSTAGE SOCIETY
AT THE POLLARD THEATRE.**

The Backstage Society is a support opportunity which makes it easy to become a contributing Season Patron. This donor level membership combines season tickets with value-added member benefits. You'll receive the Backstage News, which gives you an inside track on activities and events around the Pollard, enjoy advance ticket bookings, your name listed in the theatre program, admission to "members only" events, backstage tours and more!

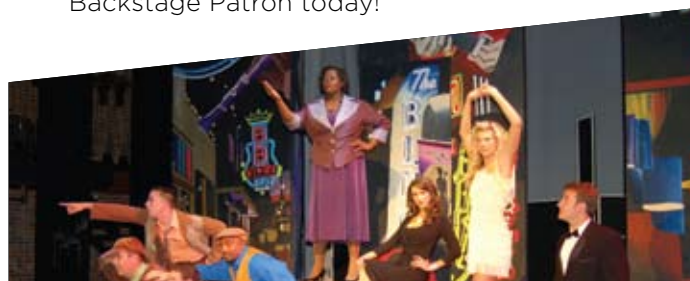

As a Backstage Society member, your monthly contribution is billed directly to your credit or debit card. It's easy to enroll at any point in our season and your membership automatically renews as long as you wish. But, most importantly, you'll know that you are helping to insure a solid foundation and the continuing success of the Pollard Theatre.

HOW YOU CAN HELP...

Like most regional theatres across the country, the Pollard only realizes half its operating budget from ticket sales. The rest comes from major grants, foundation gifts, corporate sponsorship and individual donors like you. If we had to operate on half our budget what would you have us sacrifice — the first act or the second? The lights...the costumes...the sets? What would The Music Man be without music? The King and I without the King? A Christmas Carol without the Spirits? More importantly, what would any of our shows be without you? Without your support,

your laughter, your tears and applause, our performers would only be operating on half of their energy. Just as an involved and enthusiastic audience breathes life into a performance, an invested and supportive patronage breathes life into our theatre as a whole.

As major funding sources become increasingly competitive, our individual patron base is more important than ever. Donors like you are the backbone of the Pollard's success. If you want to be involved in theatre, if you want to volunteer but can't find the time, if you want to keep the Arts alive and flourishing for the next generation, the solution is simple — become a Backstage Patron today!

ABOUT THE POLLARD

The Pollard Theatre Company was formed in 1987 as the focal project of the Guthrie Arts & Humanities Council, a 501(c)(3) nonprofit. Located in the heart of Historic Downtown Guthrie, Oklahoma, the Pollard produces six major productions a year, with an emphasis on creative story-telling that illuminates the shared human experience. Built around the core of our resident company members, we additionally utilize the talents of skilled theatre artists from across the region. Season after season, we bring shows never before produced in the state and continue to set the standard of quality for Theatre in Oklahoma. Produced with the support of:
